EDUCATION

I have a Master in Informatics and Computing Engineering, from the Faculty of Engineering, University of Porto ('05 - '13).

ABOUT ME

A male software engineer, living and tweeting (@tomeduarte) in Porto, Portugal.

A tinkerer with programming since I was 14 years old. Always an eager learner for all things startup, InfoSec and DevOps related.

OTHER

Secretary & Vice-President of the GA at JuniFEUP ·

Winner of SAPO Codebits Security Contest ·

Speaker at SAPO Codebits
